# The Robert Scott Bell Show: Homeopathic Hits - Ailanthus

# Ailanthus: The Tree of Heaven's Remedy for Sore/Inflamed Throat, Skin Eruptions, Fever and Malaise

---

**Introduction:** Welcome back to "Homeopathic Hits" on The Robert Scott Bell Show. Today, we're exploring Ailanthus, a homeopathic remedy derived from the Ailanthus altissima, commonly known as the Tree of Heaven. This remedy is recognized for its ability to treat severe febrile conditions and symptoms of profound weakness and malaise. Let's explore the potential of Ailanthus in addressing these intense health challenges.

**Origin of Ailanthus:** Ailanthus altissima, a tree native to both Northeast and Central China, is often referred to as the Tree of Heaven. Used in traditional medicine for its antiparasitic and antibacterial properties, it has been adopted by homeopathy for similar reasons, particularly its efficacy in treating severe febrile diseases and its associated symptoms.

**Key Characteristics:**

- **Febrile Conditions:** Ailanthus is particularly effective in treating high fevers, especially those accompanied by profound weakness, dizziness, and a rapid, weak pulse.
- **Throat:** Sore, tender, swollen and angry, both inside and out. Ulcerations.
- **Skin Eruptions:** It addresses dusky, purplish skin eruptions that may appear during severe febrile illnesses, indicating poor oxygenation and circulation.
- **Systemic Weakness:** Beyond fevers and rashes, Ailanthus can be used to treat conditions involving severe malaise and lethargy, helping to restore energy and vitality.

**Primary Uses:**

- **Managing High Fevers:** Offers relief from high fevers, particularly those that do not respond well to more common fever remedies.
- **Treating Skin Eruptions:** Aids in managing the appearance of skin eruptions associated with infectious diseases, helping to reduce their severity and discomfort.
- **Throat Inflammation:** Helps when tissues are angry and swollen, tonsils, too.
- **Improving Overall Vitality:** Helps combat the profound weakness and malaise that often accompany severe febrile illnesses, supporting a quicker recovery.

**Dosages and Potencies:**

- **Low Potencies (6X - 30C):** Suitable for mild to moderate symptoms associated with febrile conditions and general weakness, allowing for dosing based on symptoms.
- **Medium to High Potencies (200C - 1M):** Best reserved for more severe or acute conditions, with administration guided by a healthcare professional.

**Complementary Remedies:**

- **Belladonna:** Often used alongside Ailanthus for sudden high fevers with a hot, red face and dilated pupils.
- **Arsenicum Album:** Complements Ailanthus when fevers are accompanied by anxiety, restlessness, and a desire for sips of water.
- **Phosphorus:** Can aid Ailanthus when fever is present.

**Cautions:** While Ailanthus is a potent remedy:

- **It should be used with care,** particularly in cases involving severe systemic conditions.
- **Consulting with a healthcare provider** is recommended to ensure an accurate diagnosis and appropriate treatment plan, particularly for persistent or severe symptoms.

**Conclusion:** Ailanthus stands out as a robust homeopathic remedy, particularly effective in managing the symptoms of severe febrile illnesses, sore throat, skin eruptions and systemic weakness. Its ability to address both the physical and symptomatic aspects of these conditions underscores the holistic approach of homeopathy in treating health challenges.
